## 6 MONTH PERFORMANCE REVIEW

This broad and diverse group of stocks were the issues chosen throughout our March buying sessions. Each client's portfolio is assigned a risk versus reward rating based on the client's pre-stated objective. This group of selected stocks has been analyzed by our personnel, using our methods of rating, for growth, performance and safety. Each stock then receives a rating that coincides with a matching portfolio. For those in the growth and income category, stocks that yield are prioritized. The posted results are through September 15, recapping a six month performance review.

**DOW + 14.1%**

**NASDAQ +24.9%**
